

Fall 2020 Scrappy ENVELOPE Mystery Quilt

CLUE #2 of 9

This week is all about pink house blocks and light blue sky blocks.

If you don't have pink fabric, feel free to substitute another color for your houses. Similarly, any color blue will work for the sky, but I think lighter blues, if you have them, will work best.

Finished Size of Quilt: 84" x 96"

This Week's Assignment:

Pink Houses -- 16 total

- Make 10 Block "B"s [6.5" x 6.5" unfinished] **with light blue sky**. Foundation paper piecing and rotary cutting directions are at the end of this clue.
- Make 6 Block "B"s [6.5" x 6.5" unfinished] **with dark blue sky**.

It's fun to place "action," "people," or "animal" fabrics in the pink houses. Or, you can embroider in the houses if you feel like it.

Light Blue Sky with Sun, Clouds, and Kite -- 14 blocks total

- Cut 9 blocks from light blue fabric that each measure 6.5" x 6.5" unfinished.
- Create 3 applique "Cloud" blocks. Block template attached at end of this clue. Trace the cloud and applique whitish cloud fabric onto light blue fabric. The block should measure 6.5" x 6.5" unfinished.
- Create 1 applique "Sun with Glasses" block. Applique templates and the block template are attached at the end of this clue. Trace the sun pieces onto bright yellow cotton. Make purple glasses and a black or darkish smile of any color that looks nice.
- Create 1 Kite block via paper piecing

- As a final step, sew all 14 sky blocks together in this order. The piece should measure 6.5" x 84.5". Set aside for later.

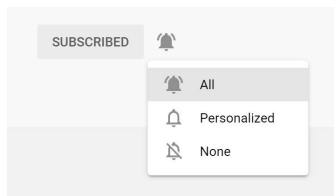

By the end of this clue you will have made 16 pink houses and a long sky strip with 14 blocks.
